NY Breeding Guideline Bar Chart

ebird.org/atlasny

This chart indicates the time of year when a species is breeding in New York.
The transition period between migration and breeding is extended to account for geographic variation.
*Species with asterisks are rare breeders and additional documentation is requested. See handbook.

Color Key:

N	Non-breeding season
M	Migratory period
E	Either migration or breeding
B	Breeding season

Version 1.1 - 01/31/2020
