

Dear Landowner,

On behalf of the Maryland & DC Breeding Bird Atlas and its partners, I would like to sincerely thank you for allowing me on your property to observe birds as part of this project.

Only through landowners like you can a statewide project such as this be successful. Your cooperation was essential to ensuring that the richness and diversity of our state's birdlife and their habitats are maintained in the future.

As mentioned earlier, you can learn more about the Atlas online at [www.ebird.org/atlasmdc/about](http://www.ebird.org/atlasmdc/about). You can also contact the Atlas Coordinator, Gabriel Foley, at [mddcbba3@mdbirds.org](mailto:mddcbba3@mdbirds.org) or me directly.

With sincere thanks and appreciation,

---
